DANCEFEST PRODUCTIONS, INC. ANNOUNCES NEW COMMUNITY PERFORMING GROUP: DANCEFEST ENSEMBLE

DanceFest Productions, Inc., an established metro-Atlanta area events company, is proud to introduce their latest venture under the DanceFest Productions, Inc. brand, DanceFest Ensemble.

The mission of DanceFest Ensemble is to bring together young dancers from all over the Southeast to work and perform as a unit while encouraging networking, providing performance opportunities, and spreading kindness, inclusion, creativity, and bonding through the art of dance.

DanceFest Ensemble will be comprised of several dancers ages 13-18 from a variety of dance studios throughout the Southeast.

DanceFest Ensemble will meet several times throughout the year in person, or on zoom, to take master classes and learn Ensemble repertory.

There will be several performance opportunities with DanceFest Ensemble, including performing as the opening number for our Jazz on Tap and BalletFest Atlanta shows.

DanceFest Ensemble members will receive exclusive pre-registration for all DanceFest events, including Festival master classes. Ensemble members will receive all master classes through DanceFest Productions, Inc. at a discounted rate.

Auditions for DanceFest Ensemble will take place on Sunday, July 10th from 10:00-11:15am during SPARK Summer Dance Intensive.

There is a DanceFest Ensemble yearly fee of \$200. The yearly fee includes Ensemble repertory, Ensemble masterclasses, and Ensemble dancewear.
